Dear Mr. Naff:

To expedite the prosecution of this application, we thought it might be useful to provide you with a draft Response and Amendment. In the attached draft we have attempted to incorporate the amendments that you kindly suggested. We have discussed the application with our academic client and it would like to resolve any outstanding issues at this stage if that is possible. Please let us know if you prefer that we submit these amendments as a formal submission in lieu of providing you with this draft amendment.

Thank you for your attention to this matter. Please do not hesitate to contact us with comments or questions.

Best regards,

Lauren Knapp
